Time: 8:00 a.m.—5:00 p.m. Eastern Time

The goal of the Marion County Fire School is to provide quality training for Fire, Rescue, EMS, Emergency Management and Law Enforcement agencies from across the Commonwealth. Thru the joint efforts of our local emergency services, the City of Lebanon, Marion County Fiscal Court, the Lebanon Tourism Commission, the Kentucky Fire Commission, and State Fire Rescue Training, we are able to provide a wide variety of training opportunities, some of which we hope will be of interest to you.

This is a FREE training, with no registration fees. We provide a free cookout on Saturday evening for everyone. The instructors for this year's program bring many years of experience and training to our school. We scheduled a return of popular classes and several hands-on courses required for certification.

Pre-registration is encouraged, but not required. On-site registration and check in for classes will be held at Centre Square in Downtown Lebanon. Registration will open at 6:30am on both Saturday and Sunday. All classes are scheduled to run from 8:00am to 5:00pm each day.
